Bourns® PTP90 Series Panel Controls with Push Latching Shaft to be Discontinued

Riverside, California – July 7, 2021 – In accordance with our ongoing product lifecycle management procedure, Bourns will transfer the [Model PTP90 Series Panel Controls with Push Latching Shaft](#) to an End of Product Life status on January 10, 2022. A lack of sales volume and diminishing demand necessitates this action. A list of affected part numbers is included on the following page.

Regrettably, no replacement part numbers are available at this time. Customers may continue to purchase the parts during the End of Product Life transition period between now and January 10, 2022. Orders for this discontinued product during this End of Product Life transition period will be considered noncancellable. Products purchased during this End of Product Life transition period will be considered nonreturnable and will be covered by Bourns' standard warranty.

Please plan for the following deadlines:

Last time buy date: **January 10, 2022**

Last time ship date: **July 11, 2022**

If you have any questions or need additional information, please feel free to contact [Customer Service/ Inside Sales](#).
